

Welcome to ADCO 2024

11th International Conference on Advanced Computing (ADCO 2024)

March 23 ~ 24, 2024, Sydney, Australia

Call for Participation

We invite you to join us in **11th International Conference on Advanced Computing (ADCO 2024)**

This Conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications of Computing. The Conference looks for significant contributions to all major fields of the Computer Science and Information Technology in theoretical and practical aspects. The aim of the conference is to provide a platform to the researchers and practitioners from both academia as well as industry to meet and share cutting-edge development in the field.

Highlights of NLPI 2024 include:

- 5th International Conference on NLP & Information Retrieval (NLPI 2024)
- 16th International Conference on Networks & Communications (NeCoM 2024)
- 13th International Conference on Control, Modelling, Computing and Applications (CMCA 2024)
- 13th International Conference on Software Engineering and Applications (SEAS 2024)
- 5th International Conference on Big Data, Blockchain and Security (BDBS 2024)
- 5th International Conference on Data Mining & Machine Learning (DMML 2024)
- 10th International Conference on Computer Science, Information Technology (CSITEC 2024)

Registration Participants

Non-Author/Co-Author/Simple Participants (no paper)

300USD (With Proceedings)
